

NIFE Special Events License Plates

Show off your NIFE pride with this limited-edition, Illinois issued license plate. This legal, temporary license plate replaces your state issued plates for a period of 60 days. The plates have a white background with black and red lettering. These plates will be valid for use from July 10, 2023 through September 10, 2023 which includes both the 40th anniversary event taking place in Pontiac, MI from July 12-16, 2023 as well as Fierorama, September 8-10, 2023 and all NIFE events in between!
